Please indicate your response by circling any number of the following statements:

- a. Only the City should pay for parking improvements.
b. I feel it should be left to the private sector working with the City to implement parking solutions in my business district.
c. I support the extension of parking meter enforcement hours to 8 p.m. or 10 p.m. in order to increase turnover of parking spaces for my evening hour customers.
d. I would support sharing the cost of a shuttle and/or valet parking arrangement with other businesses, if feasible.
e. I would support adding meters or other time limit options to increase turnover during the day.
f. I would like to see more pedestrian friendly improvements along the business corridor, for example:
g. I only have on-street parking for my employees and customers/clients.
h. I would like to be included with a group of other businesses owners to work with the University Heights Parking District and its consultant in seeking changes and modifications to the parking regulations in force on Park Boulevard with an eye to improving the parking situation.
